THE AMERICAN DERBY.

A very great race deserves a very great entry list and that is what has been awarded the American Derby this year. It is the truly national race of this country for three-year-olds and its importance grows as the years roll by. In time it will be to the United States what the Epsom Derby is to England. It is a source of just pride to the west, because it is the only race of the west that is preeminent. The east boasts of the greatest race for two-year-olds, the Futurity, the greatest handicaps for three-year-olds and upward, the Brooklyn, Suburban and Brighton, and in respect to weight for age races, leads unapproached, but the supremacy of the American Derby is unchallenged in the list of great events for three-year-olds.

This year the American Derby has 120 entries. Last year it had 97. All sections of the country are represented. All the good two-year-olds of last year from the central west, the south and the Pacific slope are in. The east is worthily represented, giving the lie to the many-times printed suggestion that because Heno, The Parader, Hermis and other eastern aspirants of recent years had failed to carry off the honors of the American Derby, eastern owners would give up essaying its capture. Mr. August Belmont is represented by his sterling son of Hastings, Lord of the Vale. Mr. F. R. Hitchcock has in Acefull's conqueror, Grey Friar. Mr. R. T. Wilson, Jr., has not been deterred by the ill success of The Parader from trying again with his two cracks Mexican and Grantsdale. Messrs. Whitney & Duryea have entered their splendid colt Irish Lad. Philip J. Dwyer has nominated Merry Acrobat, and Claude, Trapezist, Mackey Dwyer, Standard Bearer and Ahola have been named to give battle in the colors of other eastern owners. Altogether it is demonstrated that the sportsmanlike spirit and grit that leads eastern owners to keep on trying for the honors of the greatest of British races is also operative in moving them to keep up their gallant endeavors to capture the star event of the American turf. This is as it should be and some bright June day in the future a vast Chicago crowd will give an eastern winner an ovation that will show how utterly non-sectional Chicago patrons of racing are.

Leaving the Derby aside for a moment the Washington Park Club is to be congratulated over a record-breaking list of entries. It is a case where figures speak more eloquently than words. Look at this list of entries for 1903 as compared with figures of 1902:

Barring accident, it seems that the American Derby of this year must be contested by a great field numerically. Dick Welles, Savable, Von Rouse, Americano, Lord of the Vale, Irish Lad, Grantsdale, Au Revoir, High Chancellor, Linguist, Gilfain, J. Sidney Walker, Early, Prince of Endurance, Merry Acrobat, Fore and Aft, Jack Young, Bardolph, Sinner Simon, Olefant, Gregor K., Topsoil, Grey Friar, Onatas, Yardarm, Banter, Woodlake, First Mason, Collonade, Bob McLean, Spencer Reif, Rightful, Janeway, Mindora, Sigmund, Sidney C. Love, Floccarine and Bad News all went into winter quarters sound, all have winning cre-

dentials and, saying nothing of the others, should suffice to furnish a field of fifteen starters at least. The entries in full are as follows:

The American Derby. A sweepstakes for three-year-olds; \$25 to accompany the nomination; \$225 additional to start; \$25,000 added, of which \$3,000 to the second and \$2,000 to the third horse. A winner of a three-year-old stakes of the value of \$3,000 to carry 3 lbs.; of two such stakes, or one of \$5,000, 5 lbs.; of three or more three-year-old stakes of the value of \$3,000 each, 7 lbs. extra. Maidens allowed 7 lbs. To be run the first day of the meeting, 120 nominations. One mile and a half.

GOSSIP OF THE TURF.

Maj. B. G. Thomas, the veteran thoroughbred breeder, is dangerously ill at his home in Lexington, Ky. For a month his condition has been serious and last Monday night he took a turn for the worse. With slight rallying at times he has been in a serious condition since. Major Thomas has no near relatives, but scores of devoted friends. He will leave an estate worth probably a quarter of a million dollars.

The plan suggested not long ago by Cornelius Fellowes, secretary of the Coney Island Jockey Club, to further the interest in long distance racing has been taken up by nearly all the New York tracks. Beginning with the month of July, at least three

overnight races of this kind will be run each week. The distances will be from a mile and a half to two miles and a quarter, with from \$1,200 to \$1,500 in added money. The events will not be handicaps, but races at weight for age, at five, ten and fifteen pounds under the scale, selling affairs and events with penalties and allowances.

INGLESIDE FORM.

The form of Monday's Ingleside fields is:
First Race—Mi Reina, Isabelita, Lady Gallantry.
Second Race—Punctillo, Emil, Rudolfe.
Third Race—Forte, Ulloa, Rim Rock.
Fourth Race—Ethylene, Gold Van, Grail.
Fifth Race—Bernota, Rose of May, Tyrannus.
Sixth Race—Muresca, Champagne, Amasa.

INGLESIDE FORM.

SAN FRANCISCO, CAL., February 7.—The horses seeming to have the best chances in Monday's races are:

Second Race—Rudolfe or The Mighty.
Third Race—Phil Archibald or Ulloa.
Fourth Race—Gold Van or Epicure.
Fifth Race—Tyrannus or Maraschino.
Sixth Race—Muresca or Champagne.

Horton 25-1 won. Meehanus 4-5 won.
Boxwood 3-5 won.

We gave the above horses to win Saturday.

This is the kind of information that is bound to get the money. Our information for the coming week will be worth its weight in gold. To begin with, we have two almost sure winners on tap for Monday. The odds will be from 4 to 10 to 1. Tuesday, 10 to 30 to 1 shot special. Our information on this one comes direct from the parties controlling the coup and the plans have been so carefully mapped out that there is only one chance in a hundred of him losing.

LOOK OUR PROPOSITION OVER

If you bet on the races and desire to be a winner, it is to your interest—to your own interests—to give the proposition we make you here more than a passing thought. Experience has taught us, just as it has thousands of others, that it is impossible to bet every race and be a winner in the end. Now, if this is really the case, why try longer to do the IMPOSSIBLE? Why not be satisfied to win a little less some days than you might by reckless plunging, which eventually will put you out of business, and use a safe method that will make you a winner every week without risking your original capital in the least. We are receiving information daily from a commissioner at New Orleans who bets for some of the best owners there on a couple good, safe bets that will net you a very remunerative income on a flat bet daily without putting you to the inconvenience of going to the poolroom if you do not wish to go there. We are not handicappers. We do not try and guess or pick the winners for you, but we give you just what the owners are betting on themselves. It will surely be to your interest to get our SPECIAL NEW ORLEANS WIRE this week, place these good things only, and the result will convince you that this is the only way that will beat the races successfully, day after day. We have given you so many winners during the past three weeks that our limited space here will not permit a review of them, but a glance at our daily "ad" in this paper will give you an idea of the kind of information we are giving to our clients daily.

good race, was the fittest of the first two and outstayed Bearcatcher in a long stretch drive. Bear-

catcher, away well, displayed brilliant speed, but lost ground by making a wide stretch turn and was

ped by the winner, but came again and was wearing him down at the end. He is probably a good

clad and is a fine looker. Bombardier finished fast and caught Ravelena tiring at the end. The

latter was used up in following the leaders closely and was third best. St. George Jr. is a fine looker

and has worked fast.

position, closing a great gap, and was wearing the winner down at the end. Constellator made up ten

lengths from a bad start. Glendenning raced into prominence from a bad start and tired after the first

half and disliked the going.

Winner—Ch. h. by El Rayo—Fusillade's Last (trained by O. A. Bianchi).

Went to post at 3:48. At post 9 minutes. Start fair. Won easily; second driving.

Owing to the large and unwieldy field there was much crowding and interference at the

start. Horton's gameness won for him. He went steadily throughout, having clear sailing

and, coming with his customary stretch run, wore down the tiring leaders in the last quar-

ter and won drawing away. Cunard was lucky and in a good position, moved up fast when

straightened and seemed like winning when a furlong out, but suffered from a weak finish

and raced in the deepest going from start to finish. Claude secured a lucky start, ran a

game race, maintained his position with the leaders and sustained his speed like a coming

stayer. Lord Badge, on the extreme outside, closed a big gap in the last half, finishing

with a rush under a bad rider. Nones was unable to stride freely in the going, but was

wearing the leaders down in the last three furlongs. Dupont ran like a stayer. Durazzo

was bumped at the start and tired after going the first mile. Siddons ran a bad race.

Yellow Tail went a fast nine furlongs. Elliott got off badly, but ran disappointingly.

INCORPORATED. AUTHORIZED CAPITAL, \$
PAID UP CAPITAL, \$100,000.

TURF Correspondents AND Commissio

STATE NATIONAL BANK BUILDING,
619 COMMON ST., NEW ORLEANS, LA.

Announcement.

New Orleans, February 2, 1903.

BY RILEY GRANNAN.

(SPECIAL DISPATCH.)

To the American Racing Public:

The Riley Grannan Company has been incorporated under the laws of the State of Louisiana, with a paid up capital of \$100,000, for the purpose of transacting a general information and commission business. I have been elected President and will direct the operations of the company in the interest of hundreds of friends who have already signed a desire to become patrons, and in the interest of the general racing public, whom I am glad to enroll individually on the books of the company as regular subscribers to the full particulars of which are set forth below.

I hope I need hardly refer to my long career as a bettor, bookmaker, handicapper, general form expert, or to my inside connections with prominent owners and trainers, and secure patronage. Every angle of the game is an open book to me, and I have pledged myself to the gentlemen who are backing me with practically unlimited capital to give them the fruits of my experience. I have already organized a large staff of clockers to watch the preparations of the horses on the ground in the early morning and may add that my force is the best organization of its kind which money and a knowledge of experts can bring together. I have, also, heard from at least two hundred owners and trainers within the past forty-eight hours who express willingness to put their best information within my reach. The handicapping I shall do myself.

I am quite satisfied that the results which the company will be able to accomplish through this system of selecting winners will bring brilliant results. In all my racing career I have never had a losing week when I had for a basis such an organization. My personal winnings on such information have been as high as \$200,000 in a single week. My losses on the turf at different periods may be attributed to a stubbornness which at times I evinced in sticking to handicapping entirely.

The racing experience I have had is probably unique in turf history, and I trust it is not immodest for me to say it is a valuable asset to a turf advisory bureau.

That experience is now your property if you join us.
Every morning I shall with the assistance referred to above, select what I consider the best and surest bets of the day, and on these the Riley Grannan Company will play the money of its clients. On some days it may be impossible to arrive at a decision that there is a single good bet on the card.

At others there may be four or five. The company will not therefore bind itself to make any stipulated number of bets. Such bets will be made that seem judicious, and no others. The Riley Grannan Company will conduct business on the following basis:

Terms for information, \$5 per day and no charge unless we send you a starter. The smallest sum we will undertake to place for any client is \$10 on each selection. The smallest account we will accept is \$100. From every account we will deduct \$5 daily in advance for the information. At the end of each week a check will be mailed for the profits that accrue, less five per cent. of the net winnings which will cover our expenses in placing your money. Whether the account wins or losses, a statement will be mailed at the end of each week.

There is no limit to the amount which may be sent us for play.
A remittance of \$100 will insure a \$10 play on each selection. A remittance of \$200 will insure a \$20 play on each selection. A remittance of \$300 will insure a \$30 play on each selection. A remittance of \$400 will insure a \$40 play on each selection. A remittance of \$500 will insure a \$50 play on each selection, and so on. The reason a sum so much in excess of a single bet is required is that the company will at times bet your money on losers as well as winners. The best horse does not win every race and we may have an occasional bad streak. By having a sufficient amount of capital with the company, you will in all probability be protected against such a contingency. I have never personally made over seven straight losing bets in my life. Experiences differ in this respect, but it would be the height of folly for anybody to send in an account to be played for him without protecting it against a few successive losers.

I entertain the very greatest confidence in the ability of the company to make you a handsome winner. I have gathered about me the very best force of experts obtainable and have backing to the extent that must enable me to succeed. I give you the strongest assurance that any accounts you intrust to the Riley Grannan Company will be played on the best selections that money and brains can secure, and that you will get the square run for your money that has ever been given to anybody in racing. This being my original venture in this department of the game, you will readily understand what success or failure means to me. I have a reputation to sustain and if I did not think I could sustain it and improve upon it, I would not now be addressing you.

Here are a few additional particulars that have bearing on the plans of the Riley Grannan Company.

The charge for placing your money will be five per cent. of the net weekly profits. Selections will be mailed to subscribers for whom we place money before the races are run. Racing enthusiasts who are in a position to operate their own money can have the information wired to them every day at noon for \$10 per day. The rate is made higher for those who play their own money for the reason that it is necessary to keep the information as exclusive as possible, and to prevent piracy. All telegrams sent at cost of subscribers.

Make all remittances payable to the Riley Grannan Company. Remit money by express, money order, post office money order or certified check if possible. Register your mail when you send cash.

Address, The Riley Grannan Company, 619 Common Street, New Orleans, La.
All orders will be booked and acknowledgements sent in the order of their reception. Operations will be commenced on February 16 at New Orleans and continue for thirty racing days here, until March 31. After New Orleans operations will be conducted at Memphis, beginning March 28.
All accounts will be operated continuously until ordered withdrawn. Intending subscribers should forward money as early as possible to be in on opening day—February 16.

GOSSIP OF THE TURF.

W. C. Whitney's four-year-old colt, Slipthrift, which is nominated for several of the big handicaps, has begun stiff work with the Huggins string at Newmarket and will no doubt be in right good fettle long before the real racing season begins.

Ballantrae, which will also carry the Whitney colors, is one of the same combination and even this early the pair have been treated to some smart six-furlong canter on the Side Hill tan track. Both

horses figure among the sixty-three subscribers for the Kempton Park Great "Jubilee" Handicap of 3,000 sovereigns on Saturday, May 9. The course is

one mile and a quarter, and, judging from the list of nominations the race should be a veritable smasher. Prominent among the lot are Ard Patrick, last year's Derby winner, and Port Blair and

Rose Blair of the same stable; Sceptre, the great filly, and a stable companion, Labengro, are also named, and other cracks are St. Macion, Water

Shed, Glass Jug, Floriform, Friar Tuck and Cupbearer. Foxhall Keene has nominated Courroy II., and J. R. Keene, Kearsarge, and Richard Croker

will be represented by a three-year-old named St. Patrick's Day.

Mr. Whitney has also subscribed to the Gatwick spring meeting with Ballantrae and Ayrshire Beauty in the Alexandria Handicap of 1,000 sovereigns to be run Friday, May 15. Slipthrift is also

down for the Coronation Cup of 1,000 sovereigns, at the Epsom spring meeting, May 18. There are thirty-three subscribers, among them being the

top-notchers Sceptre, Ard Patrick, Caravel, Rising Glass, St. Macion and King Edward's three-year-old Persistence.

John Huggins has begun hard work on H. E. Duryea's American-bred Acefull, which was sent to England to run for this year's Derby, together with

the other horses in his stable. For some time past English turf writers have kept a close eye on the

neighborhood of Huggins' training ground in order to get a good square look at the American, and on account of the mild weather recently had a capital

opportunity. Without a single exception so far, the opinion regarding the Yankee has been

unfavorable. Mr. Whitney's horse Nasturtium, they say, who crossed for the event last year, was a powerful galloper with fine

action, but the impression created by Acefull seems to be totally the opposite. The turf expert of

Sporting Life, who saw the American colt in one of his speedy canterers, has the following criticism:

"No greater contrast could be imagined than that between Nasturtium, sent over to win our Derby last year, than Acefull, sent over this. The former

was a very grand horse in every respect, big and powerful and one of the finest gallopers I ever

remember to have seen. This year we have a little, muscular, closely coupled horse, with action as

quick and scrappy as the five-furlong sprinter, Grig, and we shall require to see it lengthen out considerably before we shall cry peccavi to such a

horse as that, even though the Americans are content that he was about the best over there." Acefull's first appearance on the English turf will

probably occur in the City and Suburban, to be run on April 22. It is a handicap of 2,000 sovereigns, about one mile and a quarter.
